## The Clinch Valley Coal and Iron Company,

WHICH OWNS THE TOWN SITE,

Offers \$200,000 to Industrial Enterprises to locate at Richlands.

SALE OF LOTS POSITIVELY LIMITED TO \$300,000.

And when this amount is reached the Company will double the price of its remaining lots, making an immediate demand for lots in the hands of first purchasers.  
RICHLANDS is on the connecting link between the Norfolk and Western and Louisville and Nashville Railroads and in the direct line of cheap Alabama Irons coming North to market.  
The Clinch River runs through the town site, insuring a good supply of water for the town and good drainage. The land comprised in the town site is almost level and little or no grading has to be done.  
The proximity of the Ore and Fuel and the large cash inducements offered insure the success of the town.

Over \$240,000 Worth of Town Lots Have Been Sold.

RICHLANDS is located in a beautiful large valley and is the most favorable situation for an industrial town between Radford and Middleboro.

## IT IS A FAKE.

THE N. & W. OFFICES NOT TO BE REMOVED.

MR. EDDY LAUGHS AT SUCH FOLLY.

The Lynchburg Papers Too Previous. What is Said About the Report in Railroad Circles—Only Two Men Ordered to Lynchburg.

The Lynchburg News of Sunday has the following interesting railroad item concerning a supposed transfer of the Norfolk and Western offices to that city: "Division Superintendent Cassell, of the Norfolk and Western, will remove his headquarters from Roanoke to Lynchburg in a very short time. The train dispatcher's office will also be transferred there. In fact it would not surprise us to be advised that all the general offices of the company were to be removed here in the near future." The report, or at least the above article is well up in the air of "faking" and if he keeps on in the journalistic field, will doubtless soon occupy the editorial chair of his—fired.

There is no truth in the first sentence of the paragraph and very little foundation for it, and the last sentence is ridiculous in its entirety, such an idea never having entered the head of any of the officials of the great corporation.

A Times reporter yesterday called upon Vice-President Eddy and showed him the paragraph, and asked if there was any foundation for such a report. Mr. Eddy took the clipping and slowly perused it, and after glancing at the above article, broke into a hearty laugh.

It amused him greatly to think that such a thing should ever be dreamed of and he pooh-poohed the idea. "It is the most absurd of absurdities," said he, "and the work, doubtless, of an over zealous reporter. No such change has ever entered the head of any of the Norfolk and Western officials." It seemed to tickle him very much, and he shook with laughter.

Richmond Preparing to Receive Her Army of Visitors.

LEE! LEE! LEE!

The people of Richmond are talking of nothing else now. As the day for the unveiling draws nigh the interest and excitement increases. Fifty thousand visitors are expected in Richmond on the 29th, and in that great gathering of strangers will be many old soldiers who followed Lee in one of the greatest wars in the history of the world. Richmond will be in gala attire, but yet the people will give due appreciation to the solemnity of the occasion.

It will be the grandest occasion in the history of the South, and will be an event memorable forever.

A Card. Owing to the recent sensational newspaper articles affecting the financial standing of the Keystone Watch Club Co., of Philadelphia, we take this means of informing our patrons and the public generally that this is an agency of the Keystone Watch Co., of Baltimore, Md., which is not in any sense connected with the Philadelphia Company, which is in full operation, and we are prepared to fill all orders.

We would call your special attention to the fact that this company offers special inducements to those desiring watches of the highest grade, having important patent improvements, and which we sell at wholesale prices. For your information please call and examine.
